

OUR "RED" BOXES

In 2012 we averaged more than 1,000 items per week in new material and we have spent a considerable amount of time in removing duplication. This has resulted in our regular customers noting how these improvements make searching more meaningful.

More than a quarter of a million items in "102" cards are offered in our red boxes.

For items from twenty cents up to fifteen dollars, the Red Boxes are the "go to" section and they are self-serve.

Sparks Auctions

Lot 118 Price Realized \$1,680

The results of Sale 11 held November 13th - 15th, 2012 proved to be the best in our relatively short history. One of the record prices was for a Victoria stamp which exceeded the previous high by more than 60%. Top quality New Zealand attracted many bids above full catalogue value.

Sale 12 will be held in the late winter, likely early March, and we are able to accept consignments until December 31st.

Sparks Auctions has also revitalized its Board of Directors and welcome Doug Lingard and Beth Newson to the team. We expect to offer three sales in 2013 and early indications are that all will have tantalizing lots in both quality and quantity.

The exceptions are face-value postage and some of our books.

Site sales can be seen at:
